### **GENERAL RULES**

1. All entries for the first show must be delivered to Jim R. Miller Park, Bldg. B, and may be placed on Wednesday, September 22 between 6 p.m. and 8:30 p.m. or on Thursday, September 23 between 8:30 a.m. and 11:30 a.m.
2. All entries for the second show must be delivered to Jim R. Miller Park, Bldg. B, and may be placed on Tuesday, September 29 between 6 p.m. and 8:30 p.m. or on Wednesday, September 30 between 8:30 a.m. and 11:30 a.m.

An authorized entry card must accompany each exhibit. Entry cards are available at the Marietta Educational Garden Center, 505 Kennesaw Ave., Marietta, or at the Fairgrounds during entry periods as published. Standard National Garden Club entry cards will be used. Fill out entry cards in pencil or waterproof ink.

3. All exhibits for the first show must be removed between 1pm and 5pm on Tuesday, September 28. Exhibits in the second show must be removed between 10 a. m. and 1 p.m. on Monday, October 4. **Nothing is to be removed before the end of the show. No Exceptions.**

4. The doors to the exhibit hall will be closed promptly at specified deadline for the show.
5. Judging will begin promptly at 12:30 p.m., Thursday, September 23 for first show and Wednesday, September 29 for second show.
6. There must be an emphasis on fresh plant material. No artificial plant material may be used in any division (Handbook, Chapter 1, Page 2)
7. The use of plants on the State Conservation List is prohibited ([www.plants.usda.gov/java/threat](http://www.plants.usda.gov/java/threat)). Native plants, other than those on the State Conservation List, may be exhibited in the Horticulture Division provided they are grown by the exhibitor. They may be exhibited in Educational Exhibits if they are grown or legally obtained by the exhibitor. All native plants must be labeled with common and botanical names.
8. All horticulture entries must be approved by the Horticulture Classification Committee who shall have the authority to disqualify any entries not conforming to the schedule and/or not of flower show quality. All entries in, Div. III Education, must be checked by Division Consultants who shall have the authority to disqualify any entries not conforming to the schedule and/or not of flower show quality.
9. Judges are asked to review the red, yellow and white winning exhibits to determine if any or all of them scored 90 or above. An Accredited Judge is requested to sign and date all blue ribbons and 90+ entry cards and Top Award Rosettes. They are asked to leave written comments on educational exhibits and entries not judged. The decision of the judges is final. Awards may be withheld if not merited.
10. Overall, General Show, Classification, Education/Youth, and Placement chairs are required to be in attendance during judging. Other than these Chairmen, only the Show Chair, Judges, Judges Chair, Clerks and Clerks Chair are allowed on the floor during judging.
11. The Marietta Council of Garden Clubs, Inc. and the North Georgia State Fair cannot be responsible for loss or breakage of exhibit materials.
12. The show is open to any amateur grower, regardless of whether they are members of a National Garden Clubs, Inc. affiliated group.
13. The Handbook for Flower Shows, 2017 Edition, as amended in "The National Gardener", shall be used as authority in all points not covered by this schedule. This Flower Show conforms to the standards established by National Garden Clubs.
14. No exhibitor may judge or clerk in any section in which he or she has exhibits.
15. Show will be open to the public Thursday, Friday, Monday 4 to 11 p.m., Saturday 10 a.m. to Midnight and Sunday 12:30-10 p.m.
16. Each exhibitor is limited to one entry per class, except in the Horticulture Division.

**FLOWER SHOW JUDGES ARE CERTIFIED AND ACCREDITED BY NATIONAL GARDEN CLUBS, INC. AND THE GARDEN CLUB OF GEORGIA, INC.**

**AWARDS**

National Garden Clubs, Inc. (NGC) Standard System of Awarding will be used and NGC Top Award Rosettes may be given in Horticulture Divisions in designated classes when the exhibitor scores 95 or more and meets all requirements stated in Handbook for Flower Shows, 2017 edition, and as amended in "The National Gardener". NGC Youth Award Rosettes may be given to the highest scoring blue ribbon exhibit scoring 90+ in each age category.

In the Horticulture Division, a plant must be identified by its binomial name (genus and specific epithet) or its currently accepted scientific identification to be eligible for a Top Exhibitor Award. Name, address and phone must be shown on both top and bottom sections of entry card.

Judging will be by National Garden Club Standard System of Awarding. Only one blue ribbon, 1st place, exhibit must score 90 or above; only one red ribbon, 2nd place, exhibit must score 85 or above; only one yellow ribbon, 3rd place, exhibit must score 80 or above; and one or more white ribbons as merited, honorable mention, exhibit must score 75 or above, may be placed in each class or sub-class. The ribbons will be placed at the discretion of the judges, whose decision is final. Awards must be withheld if not merited.

1. The Award of Horticultural Excellence (green, orange and blue rosette) may be awarded to the highest scoring **named exhibit** of fresh plant material receiving a Blue Ribbon in Division I – Horticulture (Handbook, Chapter 5, Page 39), with a score of 95+, including sections not offering a Top Exhibitor Award.
2. Awards of Merit (orange rosette) (Handbook, Chapter 5, Page 41) may be awarded to the highest scoring named exhibits of fresh cut non-arboreal plant material – one in each of the following sections:

**SHOW 1**                      Rosa (roses), Div. 1, Sec. A, Classes 1-20  
                                    Dahlias, Div.1, Sec. B, Classes 21-39

Vines, Div 1, Sec. J, Classes 128-136

3. Two Arboreal Awards, per show, (two shades of green rosette) (Handbook, Chapter 5, Page 40) may be awarded to the highest scoring named exhibit of fresh plant materials in Division I, Sections K&L. One will be awarded to Shrubs, Sec. K (classes 137-170) and another to Trees, Sec. L (classes 171-184)
4. Two Grower's Choice Awards (dark green rosette) (Handbook, Chapter 5, Page 41) for the highest scoring exhibits in  
**SHOW 1**  
Div.1, Section M Container-grown plants, Flowering/Colorful Bracts (classes 185-200)  
Div. 1, Section O Container-grown plants, Foliage Plants (classes 206-222)  
**SHOW 2**  
Div. 1, Section P Container-grown plants, Mixed Planting (classes 223-225)  
Div. 1, Section Q Hanging Container-grown Plants (classes 226-233)
5. One Collectors Showcase Award, per show, (brown and green rosette) (Handbook, Chapter 5, Page 41) may be awarded to the highest scoring exhibit in Section R Collections (classes 234-236).
6. Two Designer's Choice Awards, per show, (purple rosette) (Handbook, Chapter 5, Page 42) may be awarded to the highest scoring exhibit in Design, Division III - Section A (classes 1-3) and Section B (classes 4-6), with four exhibits in each class.
7. The Award of Design Excellence (gold rosette) (Handbook, Chapter 5, Page 42) may be awarded to the highest scoring exhibit in the entire Design Division, Division III, entered by a single exhibitor. Only those exhibits that have received a Top Exhibitor Award in their section may be considered. One may be awarded per show.
8. Eligible for Youth Award  
A total of three NGC Top Awards may be awarded, if merited. Winning exhibits must be the highest scoring exhibits scoring 90 or above. ONE award may be given in each of the following age categories:  
Junior (pre-school through age 7) Class 1, A-1, B-1; Class 2, A-1, B-1; and Class 3 a  
Intermediate (ages 8 through 12) Class 1-A-2, B-2; Class 2, A-2, B-2; and Class 3 b  
High School (ages 13 through 18) Class 1, A-3, B-3; Class 2, A-3, B-3; and Class 3 c  
Winning exhibits must be submitted by a single exhibitor.
9. The Sweepstakes Award (green and white rosette) (Handbook, Chapter 5, Page 46) will be given to the exhibitor winning the most blue ribbons in the overall show with all divisions eligible. Red ribbons will be counted in case of tie.
10. The Olen R. Morgan Jr. Horticulture Award will be given to the exhibitor winning the most blue ribbons in Vegetables, Fruits & Gourds and Oddities (Sections S, T, and U). The winner's name will be engraved on a brass plate to be affixed to the permanent award displayed at the Marietta Educational Garden Center. This award will be offered in the **first show only**.

11. The Ima Bentley Award will be awarded to a member of the Marietta Council and The Garden Club of Georgia, Inc., receiving the most blue ribbons in the entire show. In case of a tie, red ribbons will be counted. This award is presented by the Marietta Council of Garden Clubs., Inc. in honor of Mrs. Ima Bentley who was instrumental in the organization of the Marietta Educational Garden Center. This plaque will be engraved with the winner's name and remain in the Garden Center. This award will be offered in the **second show only**.
12. One Master Gardener Award will be awarded to an identified Cobb County Master Gardener who has entered the highest scored specimen in the classes of Roses (Section A), Dahlias (Section B), Perennials (Sections G & H), or Vines (Section J). Entrant must be identified as Cobb County Master Gardener on each entry card. This award will be offered in the **first show only**.
13. The North Georgia State Fair Association may give a special award for all of those listed above, if merited.

## DIVISION I HORTICULTURE RULES

1. Entries must be accompanied by a complete entry card showing exhibitor's full name, address and phone. Cards should be filled out in advance in pencil or waterproof ink. **Please fill out the top and bottom of each entry card.** This is necessary to check ribbons when counting for sweepstakes. Entry cards are available from the Marietta Educational Garden Center, 505 Kennesaw Ave., Marietta, or at Jim R. Miller Park during entry intake times as published. Horticulture entries are open to any amateur gardener. Please use the cardstock entry form and do not print the entry card on paper.
2. Horticulture entries must be fresh plant material grown by the exhibitor and must be correctly named with its binomial name or currently accepted scientific identification to be eligible to win a Top Award. It is correct, but not required, that the botanical name be underlined unless printed in italic. **Exhibitor may make more than one entry in any horticulture class, provided each entry is a DIFFERENT species, variety, cultivar, type or color. A clean and transparent glass container, with no lettering on it, of appropriate proportion must be furnished by the exhibitor for all cut specimens. Container may be clear or green.** (Exceptions may be made for unusually large specimens as necessary for stability.) All perishable exhibits (Sections R, S & T) must be on paper or foam plate with the exception of any large items, and specimen should be covered with plastic wrap or similar fly-proof material. Use a zip-lock bag whenever possible. Plates will be provided by the show committee. Horticultural Committee will discard decaying exhibits as necessary. Judges may unwrap any exhibit to handle during judging.
3. All container-grown plants must have been grown by the exhibitor for at least 90 days prior to the show. Double potting is permitted but inner pot must not be visible. Exceptions: Combination plantings such as terrariums or planters must have been grown together for at least six (6) weeks. Maximum container size is 18" in diameter. See section N regarding size of hanging containers.

4. Cut annuals, biennials, and perennials must have been in exhibitor's possession from seeds, cuttings, or immature plants and grown to maturity. Bulbous blooms must have been in exhibitor's possession from planting of bulb, corm, rhizome or it must have been cared for as a mature plant for at least 90 days.
5. No exhibitor may judge or clerk in any section in which he or she has entries.
6. Any plant or plants entered in the first show **cannot** be entered in the second show.
7. All entries shall be submitted to and approved by the classification committee which shall have the authority to disqualify any entry not conforming to the schedule and/or inferior quality. Horticultural entries may be placed on the show floor by the placement committee or classification committee only with the exception of collections which must be placed by the exhibitor in the 2' X 2' space provided by the show committee.
8. The Horticulture Classification Committee and/or General Chair are free to subdivide to no fewer than three exhibits per class or sub-class, by color, form, size, cultivar, variety, and/or other distinguishing characteristics. Sub-dividing of classes after initial placement will be done by Classification Chairs only.
9. All horticulture should be well groomed (free of dust, spray residue, leaf shine, and should show no insect damage or insects). Arboreal specimens must be cut branches and are not to exceed 30" from tip to cut end and should have several nodes and an apical tip. Cut specimens should not have foliage below the water line, with the only exception being Gladiolus. (Handbook, Chapter 6, Page 59) Wiring is not allowed except with trained plants.
10. Appropriate Scale of Points in Handbook for Flower Shows, 2017 edition, Chapter 14, will be used in judging. (Scales available upon request).
11. Judges must sign and date all blue ribbon winning entry cards, Top Award Rosettes, and any entry cards for exhibits scoring 90+ which must also include the notation '90+'.
12. **All specimens must be positioned in the best possible pose.** Wedging material may be used in the neck of the horticulture container to hold specimens in a proper pose and must be neat and inconspicuous. (Handbook, Chapter 6, Page 56) Styrofoam "peanuts", cotton, or plastic wrap may be used as wedging material (provided by committee). Larger specimens requiring heavier containers may be weighted with colorless glass marbles, adding weight to the container to prevent tipping. The stem should still be visible. Weighting is subject to approval of the Horticulture Classification Chair. All exhibits must be staged and ready for judging by 12:00 p.m.
13. The NGC exhibit policies are printed in the *Handbook for Flower Shows*, Chapter 6.
14. The rules for a single species cut or container-grown specimens are listed in the *Handbook for Flower Shows* or its supplement, *Horticulture Exhibiting and Judging*.
15. If a plant is considered a flowering plant, it should be exhibited as a flowering specimen. Foliage plants may flower but should be exhibited as foliage plants if they are grown for their leaves.

16. Specimens with a class designation in the schedule may not be entered in the 'Any Other Worthy Specimen' class.
17. The Marietta Council of Garden Clubs, Inc. and North Georgia State Fair cannot be responsible for loss or breakage of materials. Please do NOT use family heirloom containers.

## ROSE SECTION RULES AND REGULATIONS

1. All amateur rose growers are eligible and invited to make entries in the show with exception of the Judges of this section and their families.
2. All roses entered for competition must have been grown in a private outdoor garden by the exhibitor. Each entry must be correctly named and classed.
3. See General Rules number one (1) for time of placement.
4. Entries in each class will be staged alphabetically according to variety. **Exhibitors may make as many entries as desired in each class, provided they are different cultivar, type, or color.**
5. Climbing sports of bush-type roses will be exhibited in the appropriate class for the bush rose.
6. Each entry is required to have a minimum of two leaves, each with five leaflets. (*Horticulture Exhibiting and Judging*, Pages 156-159)
7. Hybrid Tea roses, Classes 5, 6, 7, 14 & 15, must be exhibited **disbudded**. Evidence of recent disbudding will be severely penalized. If side buds are present, the entry will be disqualified. Single type Hybrid Teas, Class 8, must be exhibited as naturally grown.
8. Hybrid Teas and single bloom Grandifloras should be 1/2 to 3/4 open, with well- formed centers. Single bloom Floribundas should be exhibited in the most perfect phase of beauty for each variety, which may vary from 1/3 open to full bloom. Progressive stages of bloom are desired in sprays of Floribundas, Polyanthas, and clustered Miniatures and minifloras. Multiple bloom Grandifloras ideally are exhibited with each individual bloom at 1/2 to 3/4 open. Progressive stages of bloom here are undesirable and will be penalized. Climbers, Old Garden Roses, Shrub Roses, and Single Hybrid Teas should be exhibited naturally grown. Length of stem should be pleasing proportion to the size of the bloom.

**DIVISION III – DESIGN**  
**Eligible for Award of Design Excellence**  
*"Appreciating the Seasons"*  
**DESIGN RULES**

1. Any amateur designer is eligible to enter the Design Division if pre-registered with Design Consultant and Entries Chair, prior to September 13. If designer is unable to fulfill assignment, it is the responsibility of the designer to provide a substitute.
2. Plant material and non-plant material permitted and not permitted in the Design Division are listed in the *Handbook for Flower Shows*, Chapter 7.

3. Rules for design types, advanced design types and table appointments are printed in the *Handbook for Flower Shows*, Chapter 7.
  4. Accessories, features, background panels and underlays are permitted and to be furnished by the exhibitor. It is suggested that personal property be labeled with exhibitor's name.
  5. Judges are asked to review the red, yellow and white winning exhibits in Division II to determine if any or all of them scored 90 or above. An accredited judge must sign and date all blue ribbon, 90+ entry cards, and Top Award Rosettes. They are also asked to leave written comments on all designs.
  6. There will be three (3) classes with four (4) entries per class.
  7. Only one (1) exhibit is permitted by an exhibitor in each class.
  8. Each design must have been created and placed by one (1) exhibitor and must not have been exhibited in previous flower shows. Exhibitor's name must appear on entry card. Entry card to be prepared by exhibitor and provided by committee.
  9. Plant material must be listed on 3" X 5" cards, provided by committee.
  10. **Fresh material may not be treated in any manner.** Cut fruits or vegetables must be sealed unobtrusively to discourage insects, odor, and discoloration. Only dried material may be treated to alter its exterior appearance.
  11. **No artificial** flowers, foliage, fruit or vegetables are permitted. The use of plants on the State Conservation List is prohibited. Native plants, other than those on the State Conservation List, may be exhibited in the Design Division if they are grown or legally obtained by the exhibitor.
  12. Please refer to the *Handbook for Flower Shows* (2017 edition) for specific category criteria. This Handbook is available for reference at the Marietta Educational Garden Center Library, 505 Kennesaw Avenue, Marietta, Georgia, 770-427-3494, or contact Design Consultant listed.
  13. Some plant material must be used in each design, but need not have been grown by exhibitor.
  14. Religious symbols used must be displayed in a respectful manner and in accordance with policies of local religious organizations.
  15. In order not to offend, American and other national flags may not be incorporated into any competitive designs, nor be used as underlays, swags, or the like.
  16. Landscapes or scenes are not permitted in the Design Division.
  17. Living members of the Animal Kingdom are not permitted in the Design Division, and taxidermal representations of the same are also not allowed.
  18. Designs must be placed,
    - for Show One, either Wednesday, Sept. 22 between 6 and 8:30 pm, or Thursday, Sept. 23, between 8:30 and 11:30 a.m.
    - for Show Two, either Tuesday, Sept. 28 between 6 and 8:30 pm or Wednesday, Sept. 29, between 8:30 and 11:30 am.
- After design is placed, designer must check with Design Consultant before leaving the building.
19. Judging begins promptly at 12:30 p.m. on Thursday, Sept. 23, for Show One, and Wednesday, Sept. 29 for Show Two.
  20. Exhibitors are asked to consider the longevity of plant material used since show is open to the public for five days and to construct design so that plant material will last throughout, or to refresh them before show opens to the public each day.
